

ECS SAFETY SERVICES CORE VALUES

Our core values are an integral part of who we are and ingrained in all aspects of our business culture. By adhering to these core values we ensure that our clients, customers and employees continue to receive the great service and quality care that we provide.

Our Mission

To provide excellence in occupational health and substance abuse testing throughout Canada.

Our Values

Respect

- We will respect our fellow coworkers, clients, customers and the general public in their beliefs, customs and values.
- We will respect the privacy of our coworkers, clients, customers and the general public.

Integrity

- We are committed to providing the highest quality service in compliance with all legislation and policies.
- We will be accountable for our actions and we will fulfill our commitments.
- We will be honest, respectful and ethical in our actions and decisions.

Professionalism

- We will always conduct ourselves and our business in a professional and courteous manner.
- We honor our commitments and conduct ourselves to the highest ethical standards.
- We are committed to continuously improving our selves through education and innovation.

Safety

- We are committed to health and safety of our staff, clients and customers.
- We are committed to the protection of the environment.
- We will follow by and adhere to all health, safety and environment laws and legislation.
- We will develop and maintain our safety program, with continuous improvements in order to be our clients preferred provider.
